

January 3, 2018

My fellow Republican Club of the Foothills Members,

I regret to advise you that your Board of Directors had received my written notice of resignation as President of the Republican Club of the Foothills; such resignation to be effective December 31, 2017.

The Board had accepted my resignation.

Regrettably, during my tenure as your 2017 President, I was not able to overcome the lack of interest and commitment among our membership and motivate them to take a more active role and fill the vacant offices of Secretary and Treasurer as well as Program and Publicity Chairs.

Because of this continuing lack of interest and commitment of our membership to the Republican Club of the Foothills, I had made the following recommendations to our Board:

- That effective January 1, 2018, the Republican Club of the Foothills will discontinue monthly dinner meetings during the 2018 calendar year and indefinitely in the future.
- That effective January 1, 2018 and during the 2018 calendar year, the Republican Club of the Foothills website will remain up and running and maintained by its current webmaster Mr. T. Leo Rugiens.

The Board had accepted these recommendations.

Additionally, for those of you who wish to stay more active with other Republican Party organizations in our Foothill Community, you may wish to join one of the following:
